

I DON'T JUST
COOK FOOD,
I create an experience.

I Am Chef Sly, a private traveling chef based in Charlotte, NC. In my 15 years in the culinary industry I've had the pleasure of cooking for my local community, business executives and professional athletes. My goal and motto is to not just cook food but to Create an Experience for each guest through aromas, story telling and of course Great Food.

- **Private Dining**
- **Family Dinner**
- **Private Cooking Classes**
- **And More**
